## County Council Backs-down Over Church Eaton Bus Service

I am pleased to report that the County Council are planning to reintroduce the 482 bus service to Church Eaton . As residents will know the original service was withdrawn in February with very little notice.

Church Eaton Parish Council, local residents, and myself have been working hard to get the Council to replace this service. That hard work has now paid off! However the contract has been awarded to Arriva, the same company that, along with the County Council, withdrew the service in February! To ensure the same thing does not happen again it is important the bus is used. To help you decide if the new service is of use to you the timetable is as follows

### Monday to Saturday Only

Stafford		1140	1340	1710
Derrington		1153	1353	1723
